

Remarks

Claims 28-45 are pending in the subject application. Applicant hereby reaffirms the election to prosecute the invention of Group I (claims 28-39), without traverse. By way of this amendment, claims 46-58 have been added (support for the new claims may be found, for example, in previously presented claims 28-45) and claims 28, 30, 35 and 39 have been amended. Claims 40-45 have been canceled as being directed to a non-elected invention. Accordingly, claims 28-39 and 46-58 are currently before the Examiner and read on the elected invention. Favorable consideration of the pending claims is respectfully requested.

Applicant would like to thank the Examiner for the courtesy of the telephonic conference conducted on April 8, 2009 in which Applicant requested a supplemental action with the correct period of one month to reply.

Applicant believes that the pending claims are in condition for allowance and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,

Frank C. Eisenschenk, Ph.D.
